

2016
CVSL Eligibility, Rosters and Fees

All swimmers participating in any meets on the CVSL schedule need to be properly registered with their teams and included in their team roster.

Per CVSL Handbook regarding eligibility, in order for swimmers to be considered eligible to represent their respective team in CVSL dual meet competitions, they must:

- a. Be considered a member in good standing by the team that they will represent.
- b. Have a current, signed medical release form on file with their team.
- c. Must be no older than eighteen (18) years old on the first day of competition, except “any graduating senior who turns nineteen (19) years old during the current swim season may petition the CVSL board to be allowed to swim” as voted at the 6-08-07 CVSL meeting. Approved petitioners must be emailed to the meet entry chair so that the exception is processed correctly in the meet database.

Please submit petition before meet entry due date.

In addition, eligibility for Championship competition requires that individual swimmers “have competed with the team with which they are entering the Championships in at least 2 CVSL dual meets during the current season” (a tri meet/ double dual counts as 2 meets) AND “teams must have competed in at least 6 CVSL meets during the current season and have all league dues/fees paid in full.” A tri meet/ double dual will again count as 2 dual meets. (This is where those rain dates come in)

Make sure all your swimmers are designated under one team name in your database; otherwise your swimmers will not import as 1 team and will not be recognized to score as one team in the CVSL meet. Create a **Hy-tek roster zip file** from your database (in Team Mgr under File>Export>Athletes/Teams>specify Team), save it, label it with your team name, and email this file as an attachment to me (middmac@comcast.net) so that all eligible athletes can be imported into the Championship meet database. This will also facilitate entering exhibition entries after official entries have been submitted. On the Export screen, please do not click the option to include inactive athletes, contact or group information. Only the names of active athletes, DOB, age and team are needed. Print, and mail a **signed hardcopy of this roster** (in TM under Athletes>Print>Athlete Reports>Athlete Rosters>Choose team under group filter>Sort by Name) with your fees below. Please review hardcopy to make sure **all dates of birth** are included, not just age.

Team fees and any other outstanding fees owed to the league must be received in order for your team’s entries to be accepted for the CVSL Championship meet.

Please mail **roster hardcopy** (signed by coach), this completed **form and fees by July 25, 2016**. Checks should be written to CVSL, c/o Rob Sinkewicz, 81 Sydney Drive, Essex Junction, VT 05452.

If you would like to mail the check and submit rest of items electronically, please attach clear scanned copies of your signed roster and this completed form to an email with your Hy-tek zip file roster. Please contact me if you have any questions. Thank you.

TEAM _____ Number of Rostered Swimmers _____

FEES:

CVSL Team League dues \$100

Swimmer Fees (enter \$1 per swimmer) _____

CVSL Championship Meet / Ad fee \$100 (Verg, 2016 CVSL host site team, exempt from this portion of fees)
