

Coaches and Team Representatives,

Coaches *must* have their credentials on file with the league secretary (Jessica Workman) to be on deck or receive food at the CVSL Championship Meet.

#### Credentials

1. One coach from each team must have current and unexpired certification for Lifeguard, First Aid & CPR.
2. All other coaches must have, at a minimum, current and unexpired credentials for First Aid (or Coaches Safety) & CPR.

Note: The Red Cross is notorious for taking a long time to process and return new credentials. Request your credentials from the Red Cross several weeks in advance of Leagues if you want to receive them in time. Saying the Red Cross didn't send them will NOT be a valid excuse.

Please send copies of your certification cards (front & back) to:

Jessica Workman  
8 Mansfield Ave.  
Essex Junction, VT 05452

fax: 802-658-5149  
email: [jessworkman@comcast.net](mailto:jessworkman@comcast.net)

Coaches whose credentials have *not been received by 5: 00 p.m. on Tuesday, July 26, 2016*, will not be allowed on deck.
